

AVAILABLE FACULTY POSITIONS

*Sharif University of Technology
School of Science and Engineering
Kish Island, Persian Gulf, I.R. IRAN*

The newly developed International School of Science and Engineering of the Sharif University of Technology at Kish Island (<http://www.kishisland.com> , <http://sharif.ir/~kishprogram/>) is currently offering engineering programs at the B.Sc. and M.Sc. levels and is rapidly expanding its programs. This is an international branch of the Sharif University of Technology (SUT) in Tehran (<http://www.sharif.edu/en/>) operating at Kish Island. The language of instruction at SUT-Kish is English, and our programs are accredited by the Iranian Ministry of Science, Research, and Technology.

Currently, invitation for applications is open for faculty positions at the Assistant/Associate Professor levels. Applicants should possess a Bachelor and earned Doctorate degrees in one of the following fields/disciplines:

- **Civil Engineering**
- **Computer Science and Engineering**
- **Electrical Engineering**
- **Information Technology**
- **Mechanical Engineering and Mechatronics**
- **Mathematics**
- **Physics**

Applicants should also possess effective oral, written, and interpersonal communication skills. Successful candidates are expected to teach 9-10 credit hours per semester at both undergraduate and post graduate levels. All positions are based on a yearly contract, and can be extended to a maximum of three years. The university offers reasonable housing accommodations, and a round-trip airline ticket per year to the faculty's home country. Salary is commensurate to education and experience.

To be considered, applicants must submit a letter of application, a curriculum vita, a copy of all university transcripts, and three letters of recommendation to:

Professor Ali Meghdari
Vice-President of Academic Affairs
Sharif University of Technology
Tehran, Iran 11365, Email: vpaa@sharif.edu

Applications are accepted until the positions are filled.
