Name: Hessam Salmanzadeh

Email: hesam.chm@gmail.com

Education

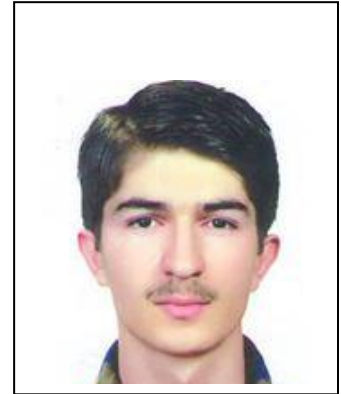

BSc.

University: Farhangian University of Urmia

Major: General chemistry

Thesis: teaching chemistry

Supervisor: Mr. Ali karamyar

Msc.

University: Iran university of science and technology (IUST) & Materials and Energy Research Center (MERC)

Major: Nano chemistry

Thesis: Preparation of magnetic nano catalyst functionalized with 2-aminobenzothiazole for the synthesis of 1,2,3-triazole derivatives in the presence of Cu(I)

Supervisor: Dr. Shahrzad Javanshir & Dr. Ali Asghar Behnam Ghader

PhD

Thesis:

Supervisors:

Research Experience:

- Nano catalyst
- Bio sensors
- Tissue engineering
